Regarding directions. There are some temporary gate changes so use the following: From Airport or Hotel, get on I-15 North and go to the Craig Road Exit. At the exit, turn Rt (East) and go to Las Vegas Blvd. It would be best to stop and get a car pass, so go straight across LV Blvd to pass and id. After getting pass, go back out main gate (same way you came in); Make a Right on to Las Vegas Blvd, and then a Left at the first Light. (this is a temporary access through the Medical facility as the Range Road gate is close for construction). After going through Security, follow the road and make a Right at the first intersection, and then a Left at the Stop sign onto Range Road. Make another left at Blytheville Dr (before the RR Tracks); there will be signs. Continue down Blytheville to a complex of bldgs, the DRMO will be on the right, Bldg 1042. Jorrie's number is 702, 652-4249.

Be sure to bring your Common Access Cards.

Just so there's no confusion; The Main Base is on the East side of Las Vegas Blvd, we are on the West side.
